“ Dear Barb,
Al's memorial service was just wonderful and I want to thank you on behalf of our entire family for doing this for everyone. We all need some closure and this helped a great deal. So will time.
Losing Al closes a chapter in our family's history as he was the last of Rae & Al's 4 children. Now the family legacy, and Al's memory, rests with us. We will always remember Al for that special quality John spoke of in his eulogy - that Al had a way of always making you feel better to be alive. As kids, he was always there for us and we will never forget that.
In death there is a great sense of loss but the truth of the matter is that nothing can erase the memories. Thank you for giving Al the best years of his life, Barbara. God bless you for that.
We will all be together again one day. And that's worth looking forward to!

Love always,

Joseph

“ Dear Barb: Dad and I are so very, very sorry we are not able to share this day with you to remember Al. We will always remember him as your very kind and caring husband. We're so happy for the times the two of you visited us in California. We love you.

“ One of my biggest, recent regrets is that I didn't make more of an opportunity to spend more time with Al in the last two years. He was one great person and I always enjoyed his company whether it was on the golf course or just hanging around. He will be sorely missed. Love you Man. Bob Dowell

“ Barbara:
So sorry to hear the sad news about "AL". The last time we saw the two of you was on the boat for Dorrie and Norman Blatt's 60th Wedding Anniversary and we were laughing and sharing good times. Our thoughts and prayers are with you!

“ Al I miss you my friend. You had that tough exterior, but inside you were a gentle, and compassionate man. You brought joy and happiness to those who knew you. I know you're in a better place, manicured golf courses, the best of Italian foods, and unlimited Johnny Walker Black. Farewell my friend God bless you and keep you.

“ BABS, Al was truly a GOOD MAN.

Heavenly Father, you called Barb's dear Al to his eternal reward recently, This left a deep void in the lives of those who loved him so deeply especially his beloved Babs. Each day without him, brings longing to see him and loneliness. Many have tried to console me, to help lighten my sorrowfulness. Their prayers and blessings have bolstered my belief. Because truly "He was a GOOD MAN". I have heard these words so many times since his departure from earth, Spoken from the hearts of those whom he had shown kindness, love and true worth. His virtues were many and his faults were few. He was full of love and understanding to family and friends-old and new. The examples he gave were the very best. He always had time for a smile and a jest. He spoke well of others and considered all his brothers. I know Heavenly Father, You agree with the words, "He was a GOOD MAN". After all isn't that what it's all about? Our stay on this earth is short and without a doubt. And what better tribute can we expect than the words,"he was a GOOD MAN."

BABS, you were meant for each other. A true love. Al will watch over you till the day you are once again reunited.

We are so very, very sorry dearest Babs.

We love you,

Judy and Jerry

“ Barbara...You know that you have my heart-felt sympathy at this very difficult time. I loved and adored Al as I often told you and he will remain in my thoughts and prayers forever. You have been like family to me for over 30 years and right away when I met him, Al too became part of my family. I will never forget how much this man loved and cherished you. His love for you made him even more special to the rest of the world. Please know that Al is in heaven and at peace. We will all be together again and until then, Al will be watching over us and still loving and cherishing you! I love you!!!!

“ To me Al was the "UNC". More like a big brother than an uncle. The UNC made everyone around him feel better. He brought light into your life and that trait grew exponentially when he met and married Barbara. Barbara completed him and made him a happy man. I miss him already

“ Dearest Barbara,
I've cried with you in my heart for Al. I'm just so sorry for your tremendous loss. Al was a special friend to me and I will miss him so much. We had so much fun when we golfed. Al's sense of humor and mine made for some good laughs. His favorite saying to me while playing was, "Strong like Bull" which meant for me to stop trying to kill it, which always made me laugh and play better. He loved to give me pointers while we played which usually worked, in return made him very happy. He would say stick with me kid and you will be on tour!
I miss my personal caddy.
Rest in peace my generous friend, you will always be with me.

“ My family and I, and friends of Al's with whom I have spoken, were all so shocked and saddened to hear of Al's passing. He was not only a great and best friend to me but also a kind and generous man. He always had a positive and happy attitude. He and Babrara were made for each other as he often mentioned. We offer our sincere condolences to her and we will keep her and Al always in our prayers.

“ Al was a one of a kind man. Caring compassionate with a wicked sense of humor. He loved his friends dearly and most of all the love of his life was Barb. It was an honor to know and be friends with him. He is God's light to us all.
