

Ms. Kathy Miller

September 24, 1948 - April 20, 2021

Katrina “Kathy” Miller went home to Jesus on April 20, 2021. Her battle with a multitude of serious medical issues in recent years showed her courage in facing life challenges with a smile. Kathy was born September 24, 1948 in Fort Lauderdale, Florida to Amos and Eleanor Hall.

Raised in the First Baptist Church of Fort Lauderdale, her life was a living example of one of her favorite Bible verses “be kind and compassionate to one another.” Kathy worked at the United States Postal Service for more than 25 years as a Human Resource Specialist. The position of giving jobs to those in need suited her servant heart. She left with numerous achievement awards for exceptional performance.

She was preceded in death by her sisters Ailon and Joyce, Shawn Briley and brother Charles. Kathy was a dedicated mother first and foremost. She treasured her children and embraced every moment with them. Kathy is survived by her two children John and Christopher Miller, their loving wives Maria and Agi Miller, four grandchildren John, Julia, Niko, and Christopher Jr. her many family members -nephews, nieces - Peggy and Donald MkLosky and her loving lifelong friends Debbie Dalelio and Sharon Rowe who will feel her loss terribly.

Kathy had a passion for traveling, puzzle solving, adventure, reading, cooking, gardening, swimming, and snorkeling. Kathy made her mark on so many. Her loss being felt near and far. She will be remembered for her vibrance, her happy demeanor, her ready smile and easy laugh. The twinkle in her blue eyes were usually a sign that something interesting was about to happen or it was the thought of a new dish she was concocting in her head after seeing leftovers in the kitchen. Kathy’s been there for us through many years of good humor, helpfulness, and thoughtfulness. We will always carry her memory in our hearts.
