

Mr. Ronald Pantan

February 12, 1949 - May 6, 2021

Ronald Pantan of Boynton Beach, Florida, passed away on the 6th of May, 2021. He is survived by his wife, Lynne Pantan, his children William Pantan, Dustin Pantan, Lauren Pantan, Michele Thompson, Christine King, Edward Dowd, and Donald Dowd. As well as his grandchildren, Gabriella and Jaxson Pantan, Aimee Rob Reynard, Carrie Thompson, Chipper Thompson, Reeve King, CJ King, Brekka Dowd, Tori Dowd, Parker, Gavin, and Riley.

Ron Pantan was born and raised in Boston, Massachusetts, to parents William and Pauline Pantan. He was a very special man, as his daughter, Lauren, told me she was very blessed to have him. She said, not only was he the best Dad, he was my favorite person I've ever known. No one can replace that sweet man's soul. He is irreplaceable.

As far as being his wife, Ron gave me unconditional love. I am a better person to have had his love. I love him with all my heart, and I will miss him forever.

All Ron's children and grandchildren adored him. He was such a kind, loving man. Most of his friends said Ron was a cool guy! He loved Football, the Patriots, and Tom Brady. He loved animals and always had at least four or five in the house. Ron also loved to ride Harleys, as he would say to me when he was going for a ride, "Honey - Just have to go and blow the dust off. He was a free spirit and the most important thing to him was his children and grandchildren.

Ron served in the Army and the Vietnam War. He worked for the United States Postal Service, and was a postman for almost 40 years. He loved everything about history, politics, and was an avid reader.

It's hard to describe Ron, he was one of a kind. The kindest, sweetest, loving man I have ever met. He said, "Please don't be sad I'm gone. Live your life. Just remember me, and smile. Don't waste your time on worrying about things you can't control."

Up until the end, his positive outlook and sense of humor remained with him. In the last six months, we talked about eight hours a day. I could talk with him forever.

Ron, we will forever adore and remember you. We will stand taller and stronger knowing you are watching over us.

Ron will be buried in the South Florida National Cemetery. There will be a Celebration of Life for his family and friends.

Fly free, my love. You will be sorely missed, until we meet again!

“ Ron although we never meet I heard so many wonderful things about you. Lynne is such a dear friend to me and considered as family. Thank you for giving her the unconditional love and support she so much deserved. May you ride high in the heavens and RIP knowing the love you shared.

“ Ron Panton was my cousin Ronnie who I had not seen in 56 years. I am grateful to have seen him twice before he passed. Lynne and Ron met me at Alice's Family Restaurant in Stuart, where I know live, and once at home in Boynton Beach. I have a picture on Ron and I which I will post if I can find it. I will be unable to attend the Military Funeral or the party back at the house. Ron's wife Lynne and I will have a drink to celebrate Ron's life in the next few weeks. I also hope to meet Ron's daughter Lauren. Ron was so proud of Lauren and all his children and grandchildren.

“ Although I never met you I know your wife Lynne. She spoke of you often in our conversations; how lucky she was to have you in her life and the love you both shared. I regret not meeting you, but I did feel your spirit in Lynne. Rest easy, Easy Rider, fly high!
